WEBSITE - *onowayhigh.ca*

Our school website has all the information you will need to find out about our school. Our daily bulletin is posted each morning so parents can be informed of what is happening each day at our school. Our monthly newsletter is also posted online. Our website can be accessed at onowayhigh.ca.

POWERSCHOOL

Parents and students can access grades and attendance throughout the year using PowerSchool. Student and parent access information is generally given to students at the beginning of the year, but can be obtained from our office at any time. This resource is excellent for keeping informed and is available on the Internet and as an app for your phone using the division code PSNT.

STUDENT SUPPORT SERVICES

The OJHS School Guidance and Counseling program is based on the premise that each student is a unique individual with certain rights and responsibilities as stated in the School Act. Our goal is to provide a systematic program that focuses on the developmental needs of all students. Guidance is an integral part of the total education program which involves school staff, parents and students. The program focuses on 4 main areas:

- Development of guidance instruction
- Individual student planning
- Responsive services
- School/community support

ADLC CORRESPONDENCE COURSES – INDEPENDENT STUDIES

Correspondence courses are available for those students who are on Home School or are unable to take a required course in school because of timetabling difficulties or program restraints due to staffing or the course is not offered in school.

INDIVIDUAL PICTURES

Students will have the opportunity to have individual pictures taken early in the year. See our website or school newsletter for the specific date. While everyone will have their pictures taken for Yearbook purposes, a variety of packages are available, at several price levels, for purchase.

OFFICE AREA

The office area houses the administration offices, staff room, infirmary, conference room and individual study cubicles. Students entering this area must first check with the secretaries at the desk. Office hours are 8:00 a.m. to 4:00 p.m.

VISITORS

All visitors to the school need to sign in at the office and will be required to wear a visitor's pass if they will be on campus outside of the office area. Student visitors - those who are former students or friends of current students, MUST have preapproval from administration to be on campus during the school day and will not be permitted to attend classes with friends. Once approval is granted, visitors will be required to wear a visitor's pass while they are on school campus.

INFIRMARY

Use of this room will be limited to obvious cases of illness.

LOCKS AND LOCKERS

All students will be assigned a locker AND a lock. Only locks provided by the school are permitted. The school reserves the right to search lockers. Students should lock valuables in their locker especially during physical education classes to prevent theft. Please keep valuable items in your locked locker or at home.

CTS KITCHEN

The CTS Kitchen is open from 8:30 a.m. to 3:00 p.m. A full range of reasonably priced items from snacks to full meals are served. Students' cooperation in putting all litter and garbage into the waste bins, and clearing and cleaning tables is expected. Microwaves are also available for student use in the common kitchen/foyer areas.

LEARNING COMMONS CAFÉ

This café is run by the school's business or leadership students and has bakery-type items, drinks, and coffee available for purchase. The Café posts its hours in the Learning Commons and are subject to change.

SCHOOL COUNCIL

The Onoway Jr. /Sr. High School Council meets approximately once a month at 7:00 p.m. on a regular date determined by the School Council. Check the school newsletter for specific dates. Parents are encouraged to join and participate in the meetings and activities of the School Council. There is no doubt that OJSH is a better school with the help of parents. The School Council Executive consists of the following: Principal, Vice-Chairperson, Secretary, Treasurer, and Student Rep. (2) Community Rep. Teacher Rep

OPEA

The O.P.E.A. (Onoway Parents' Educative Association) is a registered society which now functions as the fund raising organization of the school with the same executive serving on both parent organizations.

FUNDRAISING

Fundraising will be kept to a minimum but will provide a variety of services and experiences for students of the school. The Parents' main fundraising centers around a Casino and a onetime event to be decided upon each year.

EXTRACURRICULAR FEES

Fees are not collected for basic educational services, however, fees may be charged for extracurricular sports, field trips, and camps, for example. Currently fees are charged for technology, band, as well as CTF/CTS courses for materials/supplies.

If fees are due, they are payable upon receipt of billing from the school Accountant. If any parent cannot pay immediately, alternative arrangements can be made by contacting the Principal. Fees can be paid via school cash – an online payment service or in person at the school. See page 15 for school cash online information.

REPORT CARDS / PARENT TEACHER INTERVIEWS

Report cards are issued 4 times a year, in November, February, April and June.

They are a vital part of the school's plan to communicate fully with parents.

Parent-Teacher interviews will be held as per the ohs@ngps.ca calendar.

DISCIPLINE PHILOSOPHY

Our school is a place for learning skills, knowledge and attitudes; not only those of reason and creativity, but also skills of self-discipline and reasonable behavior. Our expectations are in line with Section 31 of the Education Act which states that student's responsibilities are to:

- (a) attend school regularly and punctually,
- (b) be ready to learn and actively engage in and diligently pursue the student's education,
- (c) ensure that the student's conduct contributes to a welcoming, caring, respectful and safe learning environment that respects diversity and foster a sense of belonging,
- (d) respect the rights of others in the school,
- (e) refrain from, report and not tolerate bullying or bullying behavior directed toward others in the school, whether or not it occurs within the school building, during the school day or by electronic means,
- (f) comply with the rules of the school and the policies of the board,
- (g) co-operate with everyone authorized by the board to provide education programs and other services,
- (h) be accountable to the student's teachers and other school staff for the student's conduct, and
- (i) positively contribute to the student's school and community.

SUSPENSION OF STUDENTS FROM CLASS BY THE TEACHER

In the event that a student fails to meet the standards of expected behavior and diligence, steps will be taken, in the manner of a fair but caring parent, to help the student to improve. Parents will be informed and consulted in the discipline process as part of a School Discipline Plan, a temporary suspension of a student from class may be

undertaken in the following manner:

- the student will be instructed to report to a different classroom or to a private study space in the office or wrap around area and a log entry will be made by the teacher as to the reasons for the class exclusion
- teachers will inform parents of the incident under no circumstances are students who have been temporarily excluded from class to roam the hallway. They should be in the office or the alternate classroom.

In the event that a student does not correct his/her behaviors after reasonable attempts have been made by teachers, administrators and parents a student may be suspended from school by the principal or his/her designate

TOBACCO USE/SMOKING/VAPING

Northern Gateway Public Schools is a tobacco-free Division in which no smoking is permitted in Division buildings or on Division property. Smoking, vaping and other tobacco products are not allowed on school property at any time – this includes the parking lot, sidewalks and bus area. There are no designated smoking/vaping areas at OJSH.

DRUGS

The possession or use of drugs or the possession of drug paraphernalia during the school day or at any school sponsored event is strictly forbidden. The consequence will be an immediate suspension and possible recommendation for expulsion, along with notification to authorities.

ALCOHOL

The possession of or being under the influence of alcohol on school property during the school day or at any school sponsored event is strictly forbidden. The consequence will be an initial suspension from school. Further occurrences will incur up to 5 day suspensions and possible recommendation for expulsion.

FIGHTING

Fighting is not the way to solve problems or settle differences in a civilized society and will not be tolerated. Students who fight or who are actively engaged in promoting a fight will be suspended and possibly recommended for expulsion.

THEFT

Theft in the school is a serious offence, will not be tolerated and may result in suspension from school. Students are encouraged not to bring valuable items to school.

PERSONAL ELECTRONIC DEVICES

We understand that these devices are an integral part of our life. There are opportunities for teacher and students to integrate this technology into a specific class situation. Students may not use personal devices in classes unless specifically requested to do so by their teacher. Students are required to follow the fundamental guiding direction that the device, very simply, cannot interfere with the instruction. Students need to be aware and respectful of the OJSH policy regarding the use of personal electronic devices. Which is outlined below:

Student has or is using cell phone in class and the teacher DID NOT request it be in class for use to meet educational purposes:

First Offense:

Teacher will EITHER direct student to put phone in their locker OR leave in teacher's care until end of class.
Teacher will create log entry

Second Offense:

Teacher will EITHER direct student to put the phone in their locker OR leave in the teacher's care until end of class. Teacher will create a log entry AND contact parent regarding infraction and indicate what will happen in

the case of another offense.

Third Offense:

Teacher will direct student to leave in teacher's care. Teacher will create a log entry AND hand phone into an administrator. Administrator will release phone after discussion with student and may contact parent.

Final:

Teacher will direct student to leave phone in his/her care. Teacher will hand phone into an administrator. Administrator will NOT release phone until contact /meeting with home has occurred. A plan is made with student's parent/guardian to stop any further infractions.

**Further infractions beyond "final" may result in detentions, in-school and out of school suspensions.*

CARE OF THE PREMISES

Students are expected to exercise reasonable care in the use of the school facilities and grounds. Students are also expected to keep litter on the premises to a minimum by usage of garbage cans. Willful damage as a result of careless behavior is not acceptable. Students causing damage to school property will be required to pay the cost of any necessary work and repairs and may be suspended from school.

SCHOOL RESOURCE OFFICER

Our school is privileged to have an RCMP officer as our SRO. This member of our staff team works to build positive policing relationships within the community as well as assist in matters of student conduct that also contravene the criminal code.

BUSSING

Students must follow Northern Gateway Transportation rules for riding the bus. A student may only ride another bus providing parent permission for both the sending and receiving parent is provided in advance to school admission.

NOON-TIME

Grade 8 & 9 students who **DO NOT** live in the town of ONOWAY, are **NOT** permitted to go uptown at lunch time. Students need a signed note from a parent requesting that they be allowed to leave school property for **each** instance. Notes must be presented to the school office **PRIOR** to the student leaving school campus at lunch.

STUDENT VEHICLES

Students in grades 10, 11, 12 are permitted to park on school property provided that a valid parking pass is registered with the school office. The yearly pass is available from the school cafeteria. The deadline for completion of the parking form is September 30th. Students are not allowed to sit in or hang out in their vehicles during breaks or class time. Students are not permitted to loiter in the parking lot outside of vehicles. Students are not permitted to park in the staff parking lot, in front of the school, or in the first row along the field fence. Students who drive irresponsibly or involve their vehicles in violating the school code of conduct may have their vehicles towed from school property and their parking privileges revoked.

DRESS

Onoway Junior Senior High School believes students and staff should be dressed in a manner conducive to learning and that is respectful of community standards. Our school dress standards are reflective of a welcoming, caring, respectful, and safe learning environment for all.

Clothing will:

1. Not promote intolerance, hatred, profanity, or sexuality
2. Not advertise drugs or alcohol
3. Sufficiently cover backs, bellies, butts, breasts, bras*, and boxers (6B's)

- *The only exception to visibility of the bra is the shoulder straps
 4. Be of an appropriate fit (so as not to expose areas far below the pit of the arm, the lower back, or cheeks that are not on the face)
 5. Be of an appropriate material, so as not to contradict code items 3 or 4 above
 6. Hats, Caps, and Hoods:
 - Are not to be worn in the offices
 - Are subject to each teacher’s discretion for their classrooms

Students and staff are all responsible for adhering to this dress code and requesting others do so as well. Questionable clothing will be subject to a final decision by administration.

Students whose dress does not adhere to this dress code will:

1. Be asked to change, cover up, turn garment inside out or wear a substitute provided by office staff , or be sent home to change (at which time phone call to parent/guardian will be made)
2. A log entry of the dress code infraction will be made
 - Repeated infractions of the dress code will be subject to Northern Gateway Public Schools Administrative Procedure 355

P.D.A. (Public Displays of Affection)

Northern Gateway Public Schools are welcoming, respectful, caring, and safe places for all members of the school’s communities. As such staff, students, and visitors to OJSH are expected to conduct themselves in a manner which demonstrates these values as fit for the environment of work and learning.

ATTENDANCE

Regular attendance in school, especially with the semester system in high school where courses are completed in 5 months, is a vital factor for success. In accordance with Alberta Education regulations, credits are based on the number of hours of instruction given in a course. Therefore, students are eligible to receive credits only if they meet the minimum attendance requirements of Alberta Education. Attendance will be taken in every class daily and will be monitored closely by both classroom teachers and the administration.

Parents are expected to contact the school at 780-967-2271 if their son/daughter is to be absent.

If parents are aware in advance of an expected absence for a period of 3 or more days, they should obtain a Foreseeable Absence Form available in the office.

ABSENCE POLICY

All absences that are UNACKNOWLEDGED will be documented in the POWERSCHOOL software as, “A”.

PROCEDURE:

At 5 unacknowledged class absences: The teacher will contact parent/guardian and enter the information in LOG ENTRIES.

At 6 unacknowledged class absences: The teacher(s) will contact parent(s)/guardian(s) and arrange a meeting with them, the specific teacher(s) and the student to discuss absences and formulate a plan for student success. OJSH administration will attend as well. The student will be placed on an attendance contract.

Further absences will result in Administration, Parent and Student to follow up with the attendance contract provisions, and explore whether or not other educational opportunities may need to be pursued.

LATE POLICY

When the students arrive late to class they are not only disrupting their learning, but also the learning of every other student in the class. This is not fair to the students who made the effort to be on time.

PROCEDURE:

When students are late to class, they must have a late slip issued by the office in order to be admitted. Students are not to be admitted to class without a late slip.

Students whose parent/guardian have called the school to notify staff of their child's late will be issued a late slip, and then late will be annotated by the OJSH office as notified by parent.

After 3 class lates - Teacher will contact parent and enter the information in LOG ENTRIES

After 5 class lates - Teacher will contact parent, implement a lunch time detention (next available lunch time in the OR room) and the teacher will enter the information in LOG ENTRIES

After 6 class lates - Administration will request a student/parent/teacher(s) meeting to discuss further consequences for habitual lateness.

SKIPPING

- is any absence from class without the knowledge or consent of parents and/or the school. Skipping is considered to be a serious offence and will be dealt with accordingly.

Parents will be notified by telephone or email through our SynerVoice system when a student has an unexcused absence from class.

A student who has multiple absences will have his/her status reviewed by the appropriate administrator. After reviewing the student's school performance, he/ she may be withdrawn from the course and assigned a supervised spare; may be allowed to continue their education on a correspondence basis; or may be with- drawn from school entirely under certain conditions.

Students who miss an assignment, scheduled test or examination because they are inexcusably absent may be referred to administration. If a student is excusably absent he/she must immediately see their teacher to arrange a convenient time to complete the work.

SIGN IN/OUT

Every student or their parent must sign in and/or out in the sign-out book located on the office counter whenever they leave the school during school hours or arrive at school too late to be registered for a class. Signing out does not abdicate students from their responsibility to attend class.

HALLWAYS/SPARES

Our school, by design and philosophy, promotes a "campus feel". As such, senior high students who are on a spare, may be in the gathering area, learning commons, or furnished work areas in the hallways as long as they are not causing a disturbance. Students who are continually disruptive, will be assigned a specific location to be during their spare.

Students enrolled in a class, and who have permission to work outside of class, may be permitted by their teacher to work in a designated area. Students who are disruptive to others' learning will be directed back to their classroom.

SENIOR HIGH ACADEMIC EXPECTATIONS

GRADE 10

Grade 10 students are expected to be enrolled in a 41 credit timetable. If a grade 10 student is removed from a class for any reason, he/she will be placed in a SUPERVISED STUDY class.

GRADE 11

All grade 11 students shall have a program consisting of 40 credits. Students may be granted a spare in special circumstances.

GRADE 12

All grade 12 students are encouraged to have a full schedule (40 credits) and must have a program that includes a minimum of 15 credits in any one semester.

FINAL EXAMINATIONS

Final examinations are normally administered during the last 10 days of each semester. These exams are mandatory and failure to write will usually jeopardize a student's final standing. A student will not be allowed to write an alternate exam unless he/she is hospitalized or medically unable to write. Under no circumstances can examinations be written early. Alternate examinations, if needed, will be written during the last two weeks of August.

STUDENT APPEALS

To ensure that student evaluation procedures followed in our school have been fair and just, a student shall have the right to appeal the final standing awarded in any subject in Grade 10 to 12 or the promotion decision in Grade 8 to 9. The right of appeal may be exercised by a student or a parent or guardian acting on a student's behalf.

Appeals at School:

- a. The notification of appeal should be made in writing to the school principal within one week of the date final standings are released to students. The school principal shall acknowledge receipt of the appeal and indicate the expected date when a decision with regard to appeal will be reached.
- b. To review the basis of any final standing or promotion decision, the principal shall employ whichever procedures listed below are considered to be appropriate (by the principal):
 - consultation with teacher involved;
 - a check of records;
 - a personal hearing of the student's and/or parent's appeal;
 - a review of evaluation procedures followed
 - Allow the student and/or his/her parents to see the graded final examination.The school principal shall confirm in writing the outcome of the appeal to the student and/or parents/guardian. The final decision may be to retain, place, increase or decrease a final mark.
- c. At the Jr. High level, only grade promotions may be appealed, not individual subject marks.
- d. If the student or parent/guardian is not satisfied with the outcome of an appeal made to the school principal, the student or parent/guardian may request a hearing from the Superintendent of schools. This request must be made within 2 weeks of receiving the principal's decision.

STUDENT ACTIVITIES

STUDENT EMPLOYMENT

Students are not permitted to finish school early at the end of a semester for employment purposes.

Students who have accepted a job or expect to have a job, and who are concerned that they will lose it if they do not finish school early, are invited to bring the name of the employer or potential employer to the Principal's office.

The Principal will contact the employer on behalf of the student. Work hours/schedules during the school year should be reasonable and not interfere with the student's classes and school responsibilities.

STUDENT COUNCIL

The role of student council is to provide activities that generate school spirit and promote involvement from all grade levels. Membership on the Student Council team is by elections in June of the previous school year for President, Vice-President, Secretary/Treasurer, 2 of 3 representatives from grades 10-12, and 3 of 3 representatives for grades 8 and 9. Remaining senior high representatives are elected in the fall.

OPPORTUNITY ROOM

This room is available over lunch time to students who require more time and assistance to complete class work, or who want an opportunity to study or complete work in a quiet space. Students may be assigned by a teacher to attend Opportunity Room, however, students may also attend by choice.

YEARBOOK

Yearbook group produces a yearly memory book which is made available for sale in the fall, and distributed in the fall of the following school year. Information regarding pricing and availability will be made on the school's daily bulletin.

Students can participate in a number of school sports teams at the Junior and Senior high levels

These include:

Flag Football (junior), Golf, Cross Country Running, Volleyball, Basketball, Badminton, Handball, Cheer, and \$200.00Track & Field

The school reserves the right not to take students on trips who may act in an inappropriate manner and cause damage to the school's reputation.

INTRAMURALS

From time to time, intramurals are also organized within the school and run during the noon break.

MUSIC

Students interested in pursuing music may join the school band which is very active in school and community events. All music activities are under the direction of the music teacher. Honours band students will pay a \$100.00 fee. Money collected from these fees will be used to support Band travel and instrument repair and replacement. All other music student will pay a \$40.00 fee.
